VII International Scientific and Practical Conference

THE GREEN ECONOMY AND LOW-CARBON DEVELOPMENT: EUROPEAN INTEGRATION AND THE CHALLENGES OF POST-WAR RECONSTRUCTION

December 17, 2026
Kyiv

Aim of the conference: An assessment of the role and impact of green economy instruments in shaping Ukraine's post-war economic recovery, and their influence on the intensification of Ukraine's European integration aspirations.

Event format: Hybrid. Online via the Zoom platform (the conference programme and link will be sent by December 15, 2026, to the email address provided in the online application form). Offline, at the official address of the State Scientific Institution 'Institute of Ecological Renovation and Development of Ukraine' (Kyiv, 35A Vasylia Lypkivskoho Street).

Working languages of the conference: Ukrainian, English

Conference sections:

Section 1. Green Economy Guidelines for Economic Recovery and Ensuring Ukraine's European Integration.
Section 2. A Strategy for Post-War Reconstruction in the Context of Preserving Ukraine's Natural Resource Potential.
Section 3. Ensuring Environmentally Oriented Development in Ukraine through the Use of Green Economy Instruments.
Section 4. Adapting to Global Challenges and Mitigating Their Impact on Ukraine's Economic Development.
Section 5. Institutional Frameworks for Ensuring an Ecological and Economic Balance in Ukraine's Development, Drawing on International Experience.

Organising Committee:

Chair of the Organising Committee – **Bondar Oleksandr Ivanovych**, Doctor of Biological Sciences, Full Professor, Academician of the National Academy of Agrarian Sciences of Ukraine, Merited Scientist and Engineer of Ukraine, Director of the State Scientific Institution 'Institute of Ecological Renovation and Development of Ukraine' (IERDU)

The conference proceedings will be published by the Ukrainian-Polish publishing house 'Liha-Pres', which is listed in the SENSE book publishers' ranking. Each abstract included in the conference proceedings will be assigned a DOI, enabling authors to locate their academic work on the Open Ukrainian Citation Index (OUCI) website. The conference proceedings will be made available on the open platform of the Ukrainian-Polish publishing house 'Liha-Pres', which has many years' experience in publishing academic books, via this link.

The following is required for the publication of abstracts in the conference proceedings:

1. Complete the online application form.
2. Send an electronic copy of the abstracts.
3. Pay the organisational fee and send the receipt. Payment details will be sent to your email address once your abstracts has been received.

The above-mentioned materials must be sent by **December 7, 2026**, to the following email address: conference@dea.kiev.ua

Financial aspects:

The organisational fee for the publication of papers is **400 UAH**. For authors from other countries, the fee is **20 USD**. The fee covers the organisational costs of publishing the proceedings in electronic format.

A collection of abstracts and a certificate stating the number of hours of professional development (15 hours – 0.5 ECTS credits) will be sent to all participants **electronically on January 30, 2027**.

Formatting requirements:

The conference abstracts must address a relevant topic, contain in-depth scientific research, and be free of plagiarism.

The length of the abstracts should not exceed 5 pages. Text editor – Microsoft Word; page orientation – portrait; margins – 20 mm on all sides; font – Times New Roman, 14 pt; line spacing – 1.5.

The first line – UDC (bold, left-aligned).

The second line – title of the paper (uppercase, bold, centered).

The third line – authors' surnames and initials (bold, right-aligned).

The fourth line – affiliation (place of employment or study), position, academic degree, and academic title.

The main text of the paper follows, justified.

Charts, diagrams, tables, and formulas must be formatted in accordance with the applicable standards. Each illustration, chart, and diagram must have a caption, and each table must have a title.

In-text references must be given in square brackets, where the first number indicates the reference number in the list of references, and the second indicates the page number. The reference list must be placed at the end of the text and formatted in accordance with the applicable bibliographic description standards. The electronic version of the file should be named after the author's last name and saved in .doc format (for example, Petrenko.doc).

Every conference participant will receive a 20% discount on the publication of an article in the **«Green Economy»** journal.

Academic integrity:

The conference Organising Committee ensures that each abstract undergoes a high-quality, anonymous peer review. The review process takes 3–4 working days. All submitted abstracts are checked for plagiarism using the StrikePlagiarism.com software from the Polish company Plagiat.pl.

The use of academic works from the occupier country is prohibited.

Note:
1. If the abstracts do not meet the specified requirements, the organising committee may refuse to accept them for publication.
2. The authors are responsible for the content of the abstracts.

WE INVITE YOU TO PARTICIPATE!
